Region **Tuscany**

The region of Tuscany has for centuries been the center of romance and art, where the wines are as warm and profound as the people who make them. This Chardonnay is an elegant and refined love letter to Tuscany's place at the heart of passion and artistic expression. It features a bouquet that delights with hints of vanilla, and apple notes on the palate.

Food pairing: it has to be served preferably with hors d'oeuvre, fish and other courses.

**TRAMBUSTI**  
Casa Fondata nel 1934

Chianti Trambusti was founded in 1934 by Orlando Trambusti, a wine lover and connoisseur who decided to turn his own natural vocation into a profession.

Today the company is a large wine making firm with modern, functional equipment used to produce and bottle top quality wines, while fully respecting its traditions and the territory. In the 2000s, the company returned to its territorial vocation, purchasing Tenuta Poggio ai Mandorli in Greve and restoring it to its original splendour.
