IL CONTE VILLA PRANDONE

The IL CONTE VILLAPRANDONE winery was born in the heart of the Piceno area, on the hills of the characteristic medieval village of Montepandone. Here the slopes are caressed by the perfumed breezes of the Adriatic Sea which meet and merge with the mild currents of the Sibillini Mountains. A union which, marrying a clayey soil, gives each grape variety flavors and unique aromas as well as an ideal microclimate for their growth.
