Terre Santa Sofia Pinot Grigio is the right choice for who is looking for traditional wines re-interpreted in a modern style. Thanks to their smooth taste and low alcohol content, these wines are perfect for everyday consumption: a young, wide, qualitative assortment at a fair price. These white wines are especially appreciated for their crispy flavor and for the perfect balance between the fruity and floral bouquet and the typical varietal notes. A winning mix you cannot miss for your Summer evenings!

Tradition and Innovation Since 1920 the Monteverdi family has been in constant search of quality Italian wine, selecting the most prestigious grapes of the Bel Paese and handing down from father to son the legacy of a wine culture refined over the decades. During all these years the cellar has evolved, modernizing both in equipment and in winemaking capacity. Finding the balance between tradition and innovation: this is the constant commitment of the Monteverdi cellars, and at the same time, a guarantee for even the most demanding customers.
